ACKNOWLEDGEMENTS

“Marriage has to perform in human hearts quite another work—an infinitely deeper and more mysterious, alchemical operation: I mean to say, it has to transmute romantic love, or what existed of it in the beginning, into real and indestructible human love, and really disinterested love which certainly does not exclude carnal passion and desire but which rises more and more above them, because in itself and by essence it is principally spiritual—a complete and irrevocable gift of one to the other, for the love of the other.”

— Jacques Maritain, Notebooks, Chapter 7

With love and gratitude for the self-gift of those who cannot be repaid:
